ANTHOLOGY

Opening Reception: Saturday, November 22, 2008, from 6 to 8 pm
November 22, 2008 – January 3, 2009

We are pleased to present ANTHOLOGY, a group exhibition that takes its name from Alejandro Jodorowsky's *Antología Pánica*. *El Pánico* was a movement created during a time of crisis in the 1960's, which sought to reinvent scandal as the main weapon of the avant-garde - horror and spectacle were used to spur an audience into a state of anxiety and revolt.

ANTHOLOGY unites artists with a diverse range of practices whose interstices collide in an affirmation of the creative impulse and of that divine madness that lies at the crux of change.
