This summer the Peter Fetterman Gallery is proud to present iconic rock and roll images including everything from Frank Sinatra to Kurt Cobain. Peter's vast collection includes work from such artists as Annie Leibovitz, Danny Clinch, John Cohen, Don Hunstein, Astrid Kirchherr, Hermon Leonard, Gered Mankowitz, Mark Seliger, Kate Simon, Alfred Wertheimer and more. These artists were initiators of a movement and have captured the culture that was and is rock and roll.

Music is a reflection of our culture and our place in time. It is the adhesive that draws us together and propels us forward towards shared aspirations. This undeniably emotional collection of photographs contains images that appeal to viewers of all ages and musical appetites. The photographs will set aside commonplace notions while showcasing the tremendous influence of both the photographers and their subjects.
