Description

“*People, Places, and Things* is how Thiebaud has described his range of subjects, but such simplicity does a disservice to the emotional weight and sheer visual appeal his hand has consistently given them.

Beyond the usual buffet of desserts and diner foods (such as *Four Ice Cream Cones*, 1964, above), this museum-level retrospective, curated by John Wilmerding, will include well over 60 paintings, works on paper, and prints of figures and landscapes from San Francisco to the Sacramento Delta." —*Sarah P. Hanson* (Art + Auction)
