WAYNE THIEBAUD NEW YORK  
ACQUAVELLA GALLERIES

“People, places, and things” is how Thiebaud has described his range of subjects, but such simplicity does a disservice to the emotional weight and sheer visual appeal his hand has consistently given them. Beyond the usual buffet of desserts and diner foods (such as *Four Ice Cream Cones*, 1964, above), this museum-level retrospective, curated by **John Wilmerding**, will include well over 60 paintings, works on paper, and prints of figures and landscapes from San Francisco to the Sacramento Delta.
