Pictures at an Exhibition presents images of one notable show every weekday.

Today's show: ["Black Sheep Feminism: The Art of Sexual Politics"](#) is on view at Dallas Contemporary in Dallas through Sunday, March 20. The group exhibition "examines the work of four radical feminist artists active since the 1970s," according to the show's press release, and includes the work of Joan Semmel, Anita Steckel, Betty Tompkins, and Cosey Fanni Tutti. It was organized by Alison M. Gingeras, [who wrote about the show for ARTnews last year](#).
