### Openings: Aakash Nihalani - “Overlap” @ Bose Pacia

A couple weeks ago, [Aakash Nihalani's](#) geometric forms took over the [Bose Pacia](#) space in New York. Aakash's work has certainly progressed from the tape work that initially made his name. The increasingly complex sculptural pieces certainly bring to mind the techniques and imagery of the street pieces they reference, but in a more refined way - a perfect transition to the indoors.
