GALA PREVIEW BENEFITING HENRY STREET SETTLEMENT  
TUESDAY, MARCH 5, 2013

New York, February 25, 2013 —Gallery presentations at the 25<sup>th</sup> annual **ADAA Art Show**, the nation's longest running fine art fair, will feature thoughtfully curated solo, two-person, and thematic exhibitions by 72 of the nation's leading art dealers. **The Art Show** takes place **March 6 through March 10, 2013** at the historic **Park Avenue Armory**, with a ticketed **Gala Preview** on Tuesday, **March 5**. All ticket proceeds from the gala and run of show benefit **Henry Street Settlement**, one of New York City's most effective social services agencies. AXA Art Insurance Corporation has also returned as Lead Partner for the second consecutive year.

**Linda Blumberg**, ADAA's Executive Director, remarks on the qualities that distinguish **The Art Show** among art fairs worldwide, "Even with the proliferation of art fairs globally, **ADAA's fair remains unique**. Whether it is a solo or two-person show, or a thematic presentation, each booth at The Art Show is a finely curated exhibition. ADAA dealers conceive and install significant exhibits at our fair and use it as an opportunity to advance their gallery's vision. The Art Show remains **a fair by US dealers with international reach** and an international sense of quality while also remaining a true highlight on the cultural calendar here in New York each March."

With the celebration of ADAA's 50<sup>th</sup> anniversary, and the 25<sup>th</sup> edition of The Art Show, Art Show Chairman, **Adam Sheffer**, states, "ADAA's Art Show broke new ground in producing a stellar art fair in New York City 25 years ago. Today, The Art Show continues to be an ideal venue for New Yorkers and visitors to connect with artists and dealers and purchase exquisite works." The **2013 Art Show** leads a contingent of art fairs around New York City such as The Armory Show, VOLTA, The Independent, and SCOPE, which also take place during the same week.

**Jannis Kounellis.** **Luhning Augustine's** presentation will feature work by **Zarina Hashmi**, whose retrospective exhibition is currently on view at the Solomon R. Guggenheim in New York.

**Marian Goodman Gallery** will present a solo installation of work by **Tacita Dean** and **Pace Gallery** will present new work by **Kiki Smith.** **Lehmann Maupin** will offer a solo booth presentation of work by **Mary Corse**, highlighting her innovative technique of painting with glass microspheres. *Sean Scully's Black Paintings and Works on Paper (1975-1980)* presented by **Galerie Lelong** will focus on a select group of the artist's under-recognized yet seminal works. **Sean Kelly Gallery's** booth will feature **Robert Mapplethorpe's** radiant photographic portraits of fellow artists and art world luminaries.
