Olivia Boudet, For Art Thou, 2014

Fred Torres Gallery presents French artist **Olivia Boudet's** latest exhibition: *Through the Light of Presence*. Over the past 24 years, she has developed an extensive vocabulary using color, shape and form. Deceptively simple, her reductive minimalist process refers also to **Giorgio Morandi** and **Agnes Martin** both who worked a lifetime to elevate the stature of the beautifully simple.

Developing from her previous efforts in size and scale working throughout 2014 – 2015, her new paintings exude an exquisite shimmering atmosphere with and through the light of presence.
