TODD JAMES "GREAT ADVENTURE" AT GALERÍA JAVIER LÓPEZ

09/21/10 6:44PM — DC

Things just keep getting bigger and better for our [Living Proof Issue #5 main feature, Todd James](#). The man also known as REAS will open a solo exhibition of works called "Great Adventure" at [Galería Javier López](#) in Madrid, marking his first solo showing in Spain. The recent works in the show brings James' raw style and cartoon-ish paintings to the world of Somali pirates, war, scantily-clad women, and more. The color palette is exceptionally bright, just like the image found on [our cover](#). The show also includes some of James' first works with oil. The show opens on September 23rd and runs until November 3rd. A trip to Spain is surely in order, because just like you, I need a vacation.

Check out some of the work featured in the show below:
