JANITRONICS BUILDING SERVICES

As we approach the holiday season, Janitronics Building Services is concerned for every one of our employees and their families.

Due to the rapid spread of COVID-19 in Massachusetts we are requesting that you do not host or attend family or friends' gatherings for the upcoming holiday.

It is a critical time in our company's history that we would make this request of all of you after a very difficult year.

Please consider the health and safety of yourselves, your families, you colleagues, and the clients we serve at Janitronics.

We ask that you take our pledge to stay **vigilant**, to remain **healthy** and to **protect** everyone in your life by following these guidelines.

ANY TIME YOU ARE NEAR PEOPLE YOU DO NOT LIVE WITH:

- Wear a mask when not eating or drinking
- Wash your hands often with soap and water
- Stay at least six feet apart from others

Consider if those around you may be at higher risk of severe illness from COVID-19, such as older adults or those with certain medical conditions, and take extra precautions.

The entire Janitronics family wishes you and your families a happy and healthy Thanksgiving.
