Elijah Blue, son of **Cher** and musician **Gregg Allman**, debuted his new art exhibition "Step-and Repeat" at Los Angeles's **Kantor Gallery** Friday night, with guests including **Chaz Bono**, **Hayden Panettiere**, and **Balthazar Getty**. Blue's works point the spotlight onto the step-and-repeat wall, the ubiquitous and overlooked red carpet backdrop of any celebrity event. With meticulous detailing and a photorealistic approach, Blue paints tongue-in-cheek logos such as "Johnnie Kum L8Lee" and "Ivory Tower," successfully merging our current concepts of branding and celebrity.

"Step-and-Repeat" will be open to the public through April 2nd, 2010 at Kantor Gallery. (7025 Melrose Ave., Los Angeles, (323) 933-6976)
