

# LARS BOHMAN GALLERY

Carl Boutard

"My artistic practice has been shaped by my constant longing for the outdoors. It is presented in the form of installations with drawings, sculpture, video, text and performance. In it I observe and reflect on the relationship between human beings, nature and culture. A recurring theme in my work is that which is about to disappear, that which possesses aura and authenticity, both visually and from the point of view of content."

CV

Born 1975 in Kiruna, Sweden

Lives and works in Malmö, Sweden.
