

LARS BOHMAN GALLERY

Drawings 18 February – 18 March 2012

Lars Bohman Gallery is proud to present the show *Drawings* -a group show with drawing-based works by 11 of the gallery's artists including Lena Cronqvist, Elis Eriksson, Linn Fernström, Peter Frie, Jarl Ingvarsson, Gunnar Larsson, Tilda Lovell, Bjarne Melgaard, Hans Wigert, Petter Zennström and Tommy Östmar.

The versatile medium of drawing works as a powerful link between different artistic temperaments. It can be used as a start, as a sketch, later to be complimented by other techniques or as the sole medium of the work. A drawing can be swift and sudden or gentle and contemplative. You will see this and everything in between in this exhibition
