

# LARS BOHMAN GALLERY

## Lotta Hannerz

"Many of my pieces are born in the gap between what we see and what we think we see, even if this apprehension only lasts for a short moment. What interests me is to try to register this, to measure the fickleness of situations. A kind of extraordinary yardstick, all so human."

Born 1968 in Stockholm, Sweden  
Lives and works in Paris, France.

## EDUCATION

Konstfack, Stockholm 1989-93

Kungliga Konsthögskolan, Stockholm 2001-02
