PRESS RELEASE

Diane Arbus, Nan Goldin, Peter Hujar

November 1, 2017 – January 13, 2018

Matthew Marks is pleased to announce **Diane Arbus, Nan Goldin, Peter Hujar**, the next exhibition in his gallery at 1062 North Orange Grove.

Featuring twenty-two prints spanning sixty years, the exhibition presents work by three photographers who each had a unique vision of the world. Although Arbus, Goldin, and Hujar often focused their cameras on similar subjects, they usually had very different relationships to those subjects, and distinct ways of photographing them. This exhibition, the first to concentrate on the three artists' work, is an opportunity to consider their similarities and dissimilarities.

Diane Arbus, Nan Goldin, Peter Hujar is on view at 1062 North Orange Grove from November 1, 2017 to January 13, 2018, Tuesday through Saturday, from 10:00 AM to 6:00 PM.
