For Immediate Release

WADE GUYTON

January 16 - February 22, 2014

Opening reception: Thursday, January 16th, 6-8pm

Petzel Gallery is pleased to announce a solo exhibition by Wade Guyton. This is the first solo exhibition by the artist at the gallery in seven years.

In 2007 Guyton showed a series of black paintings made with his Epson 9600 printer and covered the gallery's concrete floor with a facsimile of his studio's plywood floor. This time he has made five new works on linen specifically for the gallery's walls. Using the same digital file from 2007, but enlarged to accommodate a new printer's increased width, they are printed with an Epson 11880. The ink is UltraChrome K3 with Vivid Magenta. The works are turned on their sides, hung horizontally and stretched to fit the gallery walls. Two of them are jammed in a corner.

Guyton will also present a new sculpture. The object takes its form from the coat check counter at the Carnegie Museum in Pittsburgh, where he has installed four paintings for the International.

Petzel Gallery is located at 456 West 18th Street New York, NY 10011. Gallery hours are Tuesday through Saturday from 10:00 AM – 6:00 PM. For press inquiries, please contact Andrew Black at andrew@petzel.com, or call (212) 680-9467.
