

The stage is set. Stinson and her daughter, Phoenix, 15, sit on a bed with antique fabric. Stinson chose panel lighting.

The rich fa

In a house full of teenage children and friends, one mother has managed a stylish family home that they can all enjoy, says *J. Murray*

RICH Stinson's house in Phoenix, Arizona, is a beautiful blend of traditional and contemporary design. The 3,000-sq-ft home is a mix of styles, with a focus on comfort and style. The house is a mix of styles, with a focus on comfort and style. The house is a mix of styles, with a focus on comfort and style.

Stinson's love of style, light-colored fabric and her love of the scooter.

Stinson's love of style is evident in the house's design. She has a mix of styles, with a focus on comfort and style. The house is a mix of styles, with a focus on comfort and style.

Stinson's love of style is evident in the house's design. She has a mix of styles, with a focus on comfort and style. The house is a mix of styles, with a focus on comfort and style.

Stinson's love of style is evident in the house's design. She has a mix of styles, with a focus on comfort and style. The house is a mix of styles, with a focus on comfort and style.

I'm really interested in how things are made, and in furniture design.

Stinson's love of style is evident in the house's design. She has a mix of styles, with a focus on comfort and style. The house is a mix of styles, with a focus on comfort and style.

Stinson's love of style is evident in the house's design. She has a mix of styles, with a focus on comfort and style. The house is a mix of styles, with a focus on comfort and style.

Under the surface, Stinson's house is a beautiful blend of traditional and contemporary design. The 3,000-sq-ft home is a mix of styles, with a focus on comfort and style.
