# VERANDA

CLOCKWISE FROM TOP LEFT:  
Stephanie Odegard designed  
Puma Metok after an antique cut  
velvet textile in 100% handcrafted  
Himalayan wool. The modern design  
of Warp & Weft's Logs is rendered  
in wool and silk. For visual variety,  
Obetee's Cavallo Midnight Sky  
sources antique motifs based  
on old Mamluk carpets.
