something's afoot—liberated  
piles of fearless designs

Do you lack self-esteem? Would you like to be a livelier conversationalist? Do you find yourself disappearing when socializing in large groups of people? Well, gentle wallflower, now is the time to welcome a smart and sassy contemporary rug into your life, for nothing is more refined or attractive than the confidence an exquisite carpet can provide. Say yes to contemporary, and say yes to a life of unparalleled happiness and style. Feel invigorated! Be amazed by the charismatic new you! Be released from your anxieties and blandness! And let these sparkling selections testify...
